Friends

St. Margaret of Castello

The Friends are families with children, infants to adults, with special needs in the community of Ave Maria.

Organized as a ministry of Ave Maria parish, the Friends' mission is to provide activities that help our members grow in mind, body and faith. Our patron is St. Margaret of Castello, a 13th century saint born with multiple disabilities. Our symbol is the pearl, whose hidden value must be discovered.

We hold monthly get-togethers and plan/attend events such as basketball and soccer camps, swimming lessons, food drives, and field trips exploring local attractions. Be on the lookout for Friends--you can find us helping at a local event, playing on the court, or offering a cool drink and a treat at one of our lemonade-stand fundraisers!
