

AVE MARIA CATHOLIC CHURCH

The background of the entire image is a photograph of five lit purple candles. The candles are arranged in a row, with the central one being slightly taller than the others. They are set on a silver-colored metal stand. The base of the stand is decorated with green pine branches and small brown pinecones. The flames of the candles are bright blue and yellow. The overall lighting is dim, with the primary light source being the candles themselves.
