I understand that my child's preparation for First Confession and First Communion is for a way of life most effective when modeled in the family. I am willing to make the commitments necessary to support their faith formation; including family participation at weekend Masses, Holy Days of Opportunity, attending preparation classes, sacramental practices, and keeping up with the at home portion of his/her preparation. After the reception of sacraments, I will continue to support my child's religious education and encourage this lifetime process of ongoing conversion.
